The Court set a pretrial schedule for both cases. A separate pretrial scheduling order to be issued. The Court noted that the *USA* case had a pending Motion to Dismiss which will be heard at a later date. The Court indicated that it would not be consolidating the case but instead coordinating the schedules. The Jury trial in *Radice* will be held first, then the equitable issues trial will be heard after. The Government's participation in the Jury trial will be discussed closer to the Jury trial date.
